

Tunbridge Monthly Meeting

First Book of Records

June 30th, 1802

to

October 7, 1825

Transcribed by
Robert M. Murphy
Vermont Historical Society
April 2018

The following pages are a transcription of (principally) lists of members of the Tunbridge Monthly Meeting of Freewill Baptists. The records are from the collections of the Vermont Historical Society Library, 60 Washington St., Barre, Vt., and have the catalog number AC 802380.

The book consists primarily of minutes of meetings from the period 30 June 1802 through 7 October 1825. Although there are baptismal records sprinkled throughout these minutes, the writing is faded and difficult to interpret, so no attempt was made to search for and record them.

The member lists appear from time to time in the record book, and annotations sometimes appear to indicate a death or other event. The member lists are transcribed as accurately as possible, as written. Uncertain interpretations of the written records are included in square brackets. An all-name index appears at the end of this transcription.

p. 3 Spirit of God in his word expecting that he will yet further & more gloriously open his word and misterious of his kingdom [f]lying to the blood of the everlasting covenant for the pardon of our many errors and praying that the Lord would prepare and strengthen us for every good work to do his will working in us that which is well pleasing in his sight through Jesus Christ to whome be glory forever. AMEN.

p. 44 Having ths day having examined the records of ths Monthly Meeting and taking avue of the present situation and the state we shove bin in for along time and that we have hed too many causes of our own and that it is high time for to return unto the Lord from whence we have revolted and the crown is in great measure falen from our heads. O that we might hear the laguage in our souls come let us build keep, Lord.

Thene fore we who have here unto set our names in the fear of the Lord and for the love we have for the laws of the redeemer for to give up our selvs unto the Lord and one another and for the futer to work over each other for ther good and take the Scripters for the rule that God has given for the governing of his church here below as we find recorded in St. Mathews gospel 18-15 and Luke 17-34 Romans 16-17-18-2 of Thessolonans 3-6 and may the Lord hep us whilst we attend to the Scripters enternaly to take the spirit of the Lord internly for to direct us in every duty the Lord doth require of us also we believe it to be our duty to meet togathe once amonth for the purpose of giving the state of our minds one to another may the Lord help each one so to live that the gates of hell shall no more prevail against us for his son sake.
