1978 RECORD
MONTPELIER HIGH SCHOOL
MONTPELIER, VERMONT

Gratitude may appear in a multitude of forms; a look, a gesture, a spoken word. It may also take the form of a written work, expressing true feelings and emotions. With this dedication, we hope to convey our thanks to someone who has taught us, grown with us, and most of all, cared for us. Therefore, we, the graduating class of 1978, wish to dedicate this year's Record, with gratitude and much love to you —

To the Class of 1978:

I would like to take this opportunity to extend my appreciation to the members of this class for the positive manner in which each of you reacted to the leadership change at the high school this year. Many times a change in the principalship tends to have an adverse effect on particularly the senior class for many reasons. In your case this was not evident as representatives of your class took an active part in the screening process, others made themselves known prior to school opening last fall, and in general the supportive attitude taken by the class has been excellent.

Needless to say, the carryover of a similar approach to, as well as a healthy attitude toward change, will be of great benefit to each and every one of you in the years ahead.

Best wishes for happiness and success in future years.

Charles B. Johnson
Superintendent of Schools

As you leave Montpelier High School, I begin. I guess we both experience similar feelings of excited anticipation for what the future holds yet a degree of uncertainty for the yet unknown. As I have been amply reassured by your presence and assistance this year, let me offer my words of reassurance to you.

Even though my life at Montpelier High School has to date been brief, I can honestly tell you that you are fortunate, beyond your current awareness, to be graduating from one of Vermont's finest high schools. The academic and co-curricular experiences that you have enjoyed here are uniquely excellent. You, with the support of the faculty, school directors and a concerned citizenry, have given Montpelier High a sense of pride and achievement unparalleled in my experience as a Vermont educator.

Take with you those rare gifts of dedication, honesty and compassion that I have so repeatedly witnessed in you, and the world will be blessed by your presence and you will be blessed by your own abilities.

Edwin H. Jacobs
Principal

Students are the most important elements in a school and their habits and reactions quite largely determine its standing. The better schools are those in which there is a consciousness on the part of students that they share equal responsibility with the faculty for establishing and maintaining good school practices and traditions.

Over the past four years many of you were instrumental in establishing good school practices and traditions. You are leaving Montpelier High School imprinted with many fond memories of the Class of 1978. All of you are now faced with the greatest challenge you will ever be faced with. That challenge is to enter the adult world, live a lifetime in it and leave it with the knowledge that once again each of you were responsible for establishing good practices and traditions. Practices and traditions that others will observe and live with which will hopefully continue this country's great heritage.

Good luck and my most sincere congratulations to the senior class. The class of 1978.

George Sulima

SENIORS

Time passes so quickly for us now. All too soon yesterday is only a memory, and tomorrow advances at an alarming pace. The world awaits us, and serenity becomes a long-forgotten gift. Suddenly we are beset by urgent questions for which there seem to be no answers. But then hope resurfaces, supporting us, bringing with it answers to our questions, a new surge of confidence, and serenity.

JUNIORS

Our opaque world, filled to the brim with muddled thoughts and ideas, is becoming translucent.

What was once distant and unattainable is moving within reach, and we are blossoming in a thousand different directions at once.

This is a year of discovery, of trial and error, of development.

The alternating sunshine and shadow provide a challenge which spurs us on to bigger and better things!

Gotcha!

Coach Simpson and Coach Morrison

The 1977 Varsity Football team completed a successful season with an overall record of 7-2 which left them at 2nd place in the Northern Conference. It was one of the rainiest falls on record, but still the games were well played and closely contested.

The final game of the season, at Spaulding, was a real cliff hanger, which they won by scoring with only 3 seconds remaining on the clock.

Of the 36 players on this year's team, 18 were seniors. They have, by their example and performance, given us a great start into the year's athletic program and a fine competitive attitude for future football squads to emulate.

Coach, I have a booboo.

1977 was an excellent season for the M.H.S. freshman football team. Out of 7 games they came out with 6 wins. All the members of the team played with an enthusiasm, a skill and an attitude that will be very valuable to future varsity teams. The coaching staff was very pleased and proud with the efforts of these young men.

On the verge of another great punt.

In the second year of the Varsity Field Hockey, the team was much improved. Although their record shows no wins, they did have four ties. There were many exciting, well-played games, and next year they should be even better.

The M.H.S. boys had a good season with a 2nd in both the Northeast Kingdom Cup Race and the Conference Championships. In the State meet, hosted by Montpelier, the boys finished in 3rd place and in doing so qualified for their 6th straight New England meet. With a solid group of returning runners, '78 should make another fine year.

You can stay ahead, Rick and Ted.

As the Solon runners approached the '77 cross country season, excitement ran high. With a veteran squad returning, the girls were eyeing a possible state championship. It was an unusually muddy season, especially at the Can-Am Championships where they won for the 2nd year in a row. Other high points were a 1st in the Northeast Kingdom Cup Race and the glory of being State Champs. Also they had the honor of running in the New Englands. All in all, the season was one worth working for.

Way to go, Barb.

This has been a fine season for M.H.S. basketball on the Junior Varsity level. These young men displayed an excellent attitude in gaining the skills that will benefit M.H.S. varsity teams in future seasons. The desire, dedication and will to win were definite strong points as this year's squad held their own against top competition. The high point of the season was the championship of the Oxbow Junior Varsity Basketball Tournament. The community, student body, coaches and players can be proud of the 1977-78 J.V.'s.

The Varsity Season — Probably no recent year presented on M.H.S. Boys' Basketball team a greater challenge than the 77-78 season. Without a returning starter, with no player over 6'1" and with a league overall better-balanced than usual the task of winning became a major challenge.

The season began on a negative note with 5 straight losses before a victory over Bellows Falls in the Springfield Tourney turned the tide. At this writing we can only guess at the final win-loss record, but most important to the players is the hope of still winning 8 games to qualify for the State Class L Tourney. If this becomes a reality they will have kept alive a string of 10 straight years into tourney competition. Standing at 6 wins and 9 losses, they will have to win 2 of the last 5 contests.

At this $\frac{3}{4}$ mark of the season, the individual statistics show a fine balance among the players. David Brigham 52% and David Nelson 44% lead in field goal percentage. George Graves is shooting free throws at a 77% clip while Nelson (136) and Mark Wasik (91) are the leading rebounders. Schuyler Azur leads in assists.

This has been a team with great spirit and desire. The wins may be fewer, but the unselfishness and dedication of its members rank it with the best to represent M.H.S. in a long time.

The girls' basketball team finished its season with its best record to date 5-13. The highlight was the team's 1st game when they beat the rivals, Spaulding, by a score of 41-37. Playoffs eluded the team, but with the girls returning next year, the team should make a good showing.

Junior Varsity

This year was disappointing as they finished with a record of 3-15. The highlight was a 1 point win over Oxbow after coming back from a 22-0 halftime. There is much talent on the team and prospects look good for next year.

Nice shot, Mike.

It was a very competitive season for the Hockey team this year and the league as a whole. It was a year in which any team could knock off any other team. The team took their lumps and losses but not without a fight. Of the 7 losses, 6 were by one goal, and the 7th was by 2.

With only 4 seniors graduating the team is relatively intact. These seniors are D. Kingston, S. Provost, L. White, and B. Peterson. An announcement has also been made that Mike Lyons, the standout Jr. Defenseman will be traveling Europe and will not be with the team. We wish these guys the best and extend thanks for an excellent effort on and off the ice.

The team and I would like to thank Randy the bus driver; Ms. Kay Olmstead; the cheerleaders and the fans for their excellent support. It was and is always very much appreciated.

The Cast of DIRTY WORK IN HIGH PLACES

*"A Saga Rich in Human Folly,

Dauntless defends the desperate from the doers of devilish deeds.

This year, the Masque, directed by Mr. and Mrs. Ryback, performed *DIRTY WORK IN HIGH PLACES*. Described as "an old-fashioned mellerdrammer with a sidesplitting modern twist," this production was a musical. The hard work and talent of the directors, crews, and performers of Masque made this a play that was enjoyed by all.

Preparing another dastardly plan.

Still up to no good, no doubt.

Highlighting this year's winter carnival was a pie-eating contest. Although all the participants plunged into piles of whipped cream and apple pie, none could beat Alfred Bredice. The carnival, under the direction of Joy Facos, also featured traditional events like basketball, broom hockey, skiing, thigh pad, and snow sculptures. Baby Blue set the beat for a dance on Tuesday night. After all the events were totaled at the end of the week, the mighty Seniors came out on top with 45 points, followed by the Juniors with 20 points, the Sophomores with 17 points, and the Frosh with 12 points.

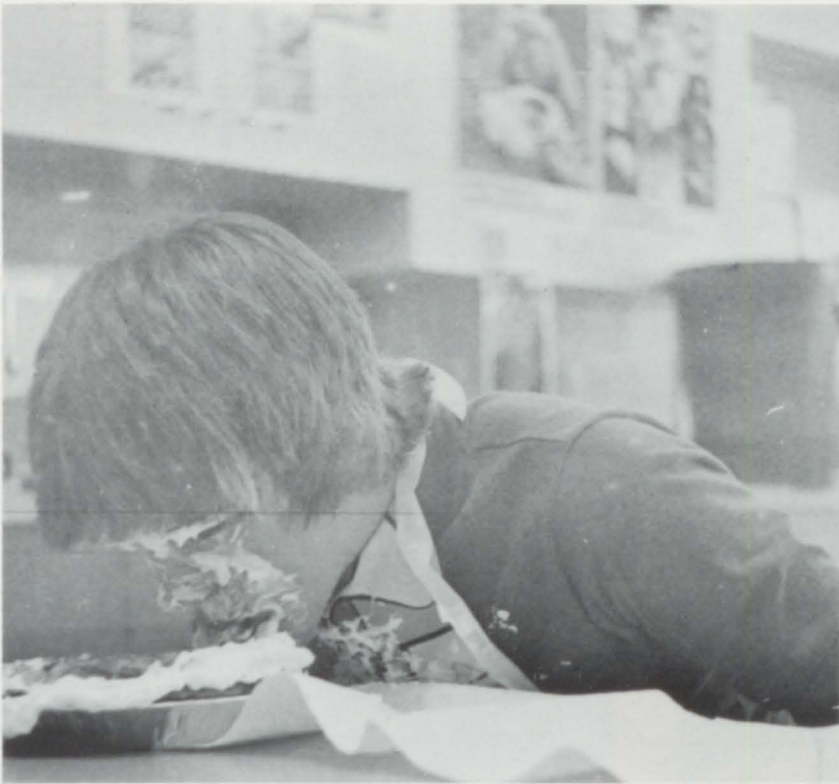

"No way, Allard, I'm not giving you my waxing secrets."

The Champ

"Whaddaya mean, he won?"

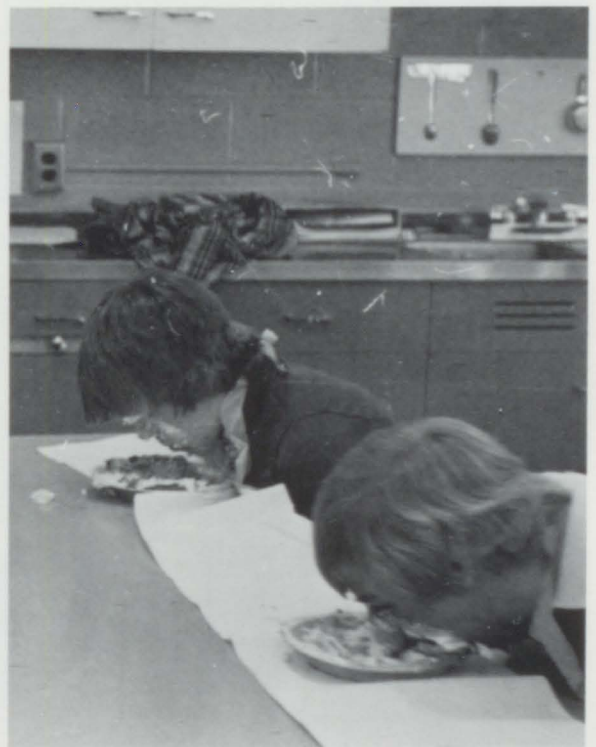

Whipped cream delight.

Dick Pinkham flashing to victory.

Caught in the act.

Go for it, boys!

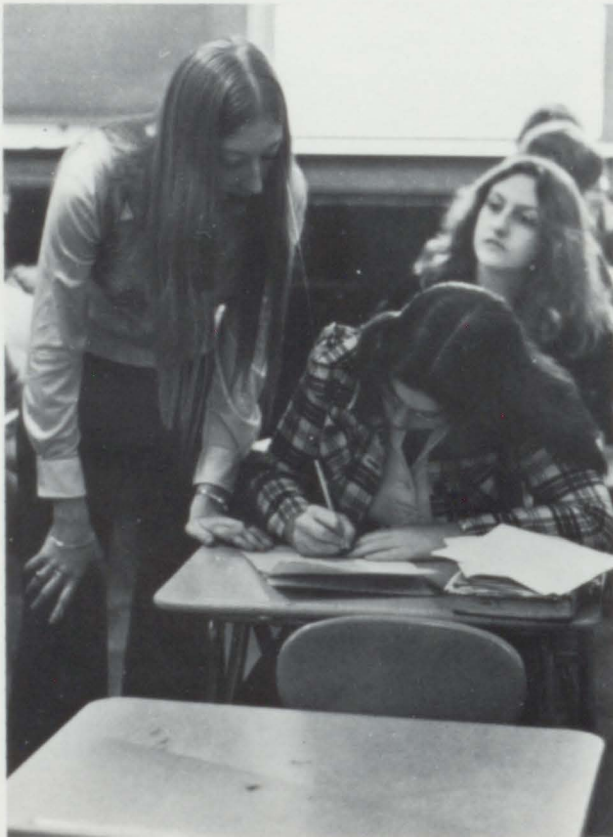

What would we do without them?

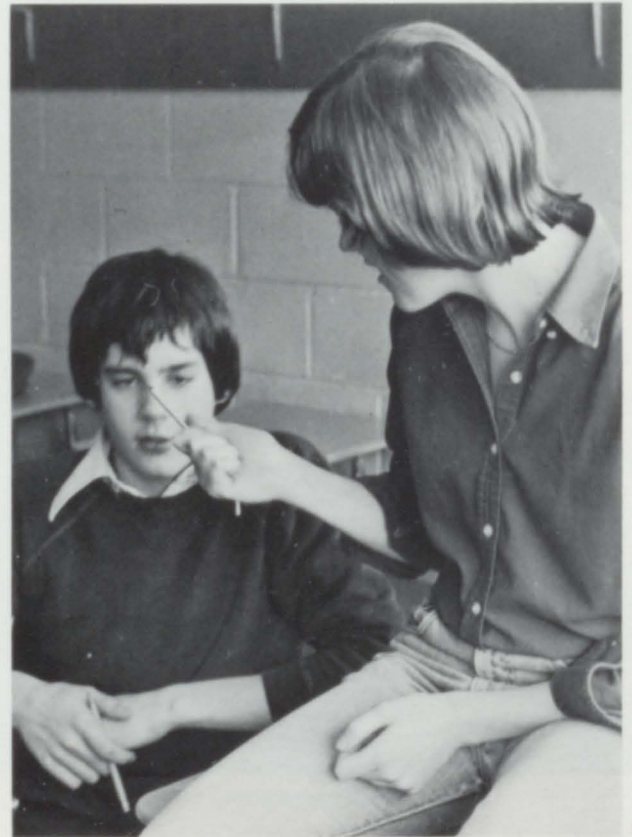

Studying quietly in the library.

The band waits, eager to play.

No, Ann. $1 + 1 = 2!$

Lauren does a good job hypnotizing Ricky.

WEDDING

In Sociology, a young man's fancy lightly turns to thoughts of marriage.

"Do you, Doug, take this woman . . ."

"She loves me, she loves me not . . ."

"I baked it myself."

Who's next?

GIRLS' AND BOYS' STATE

1st Row: Heather Guild, Dean Flanders, Barrett Peterson. **2nd Row:** Steve Provost, Kathy Allard, Dick Pinkham. **3rd Row:** Joan Zorzi, Todd Miller. **Missing:** Frank Rucker.

Montpelier High School was once again well represented by its delegates to Girls' State and Boys' State. At Girls' State, Joan Zorzi served as Secretary of State, Kathy Allard was Speaker of the House, and Heather Guild was the Chairman of the Nationalist Party and was selected as an alternate to Girls' Nation. The Boys, too, held many offices, such as Senator, Representative, Town Selectman, and more. Montpelier can be proud of its delegates to the 1977 Girls' State and Boys' State.

NATIONAL MERIT SEMIFINALISTS

Based on their performances on the PSAT's, Beth Wallace and Dean Goodrich were selected as National Merit Semifinalists, a distinctive honor.

MONTPELIER HIGH SCHOOL MOON MEN

The Montpelier High School Moon Men are a highly rowdy group that added zest and music to this year's basketball games.

"I'm being followed by a moon shadow" was heard at every game, and they will long be remembered for their famous improvisation of the verses, and as being M.H.S.'s most avid basketball fans.

"... and their moons are red and blue!"

And so we are here
in the year of our Lord,
one thousand, nine hundred and seventy-eight.
Much has taken place
as the year has molded
a permanent place in our memories.

It was a year filled to the extreme
with incidents and adventures:
incidents causing us to laugh and cry,
adventures which brought tears to our eyes
and a smile to our face.
Whatever the outcome,
everything will be included as a cherished part of the year.
Times easy to remember, as well as
seemingly unimportant times
will resurface as memories in the future,
vividly bringing back to life a year which played
an important role in our growth and being.

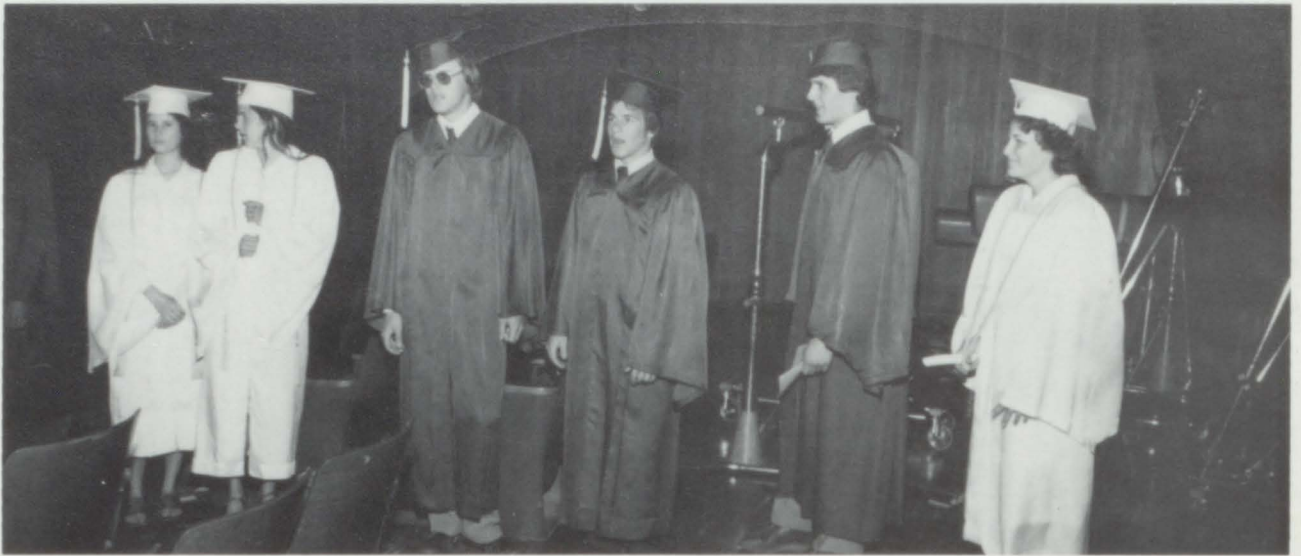

1978 RECORD SUPPLEMENT

MEMORIES ARE MADE OF THIS

GRADUATION OF 1978

Awaiting their final entrance

Moments seem like hours now, we hold each sacred in our hearts. Not wanting to let go, we look ahead from a distance. Realizing all too late that the future is here. We falter, thinking of all we have done. Then we know we must go on, thinking of all there is yet to do.

L.L.

The final foolish grins of high school.

An important job at last.

AND THE PROCESSION BEGINS . . .

The small times count.

Touches not tradition

*And memories are the
only sanity
The world can now
assure us.*

VALEDICTORY GROUP: (left to right) Cathy Horan, Michelle Finaro, Dick Pinkham, Brenda Mailman, Rachel McCracken, Kathy Allard, Heather Guild, Mary List.

If the wait don't get you, the heat will.

*Clinging to fragments of memories
of all the good time spent
together, but looking
toward the future with a
smile that
dims the uncertainty
and
conquers the fear.*
